## Gemini Insight INSTALLATION QUICK GUIDE

Thank you for choosing to use Gemini Insight, our specialist web portal, providing you with an indepth overview of your signalling estate. In order to use Gemini Insight securely please follow the steps below:

- Go to the following web page on your browser: <u>https://cslvpn.cslconnect.com</u>
- Enter your SSL VPN username and password into the boxes provided.
- You will be prompted with the pop-up windows shown below (Figure 1-3). If the web based install doesn't automatically appear on screen click on the "Windows7/Vista/64/XP" link as shown in the third window below. (Please ensure that you have unblocked pop-ups on your browser).
